Which countries have the most Invoices?

US and Canada were the most two countries have total number of invoices of music, that may indicate to Canadian and American people interested in music more than other Countries.

Who are the best 10 customers? And from which Countries?

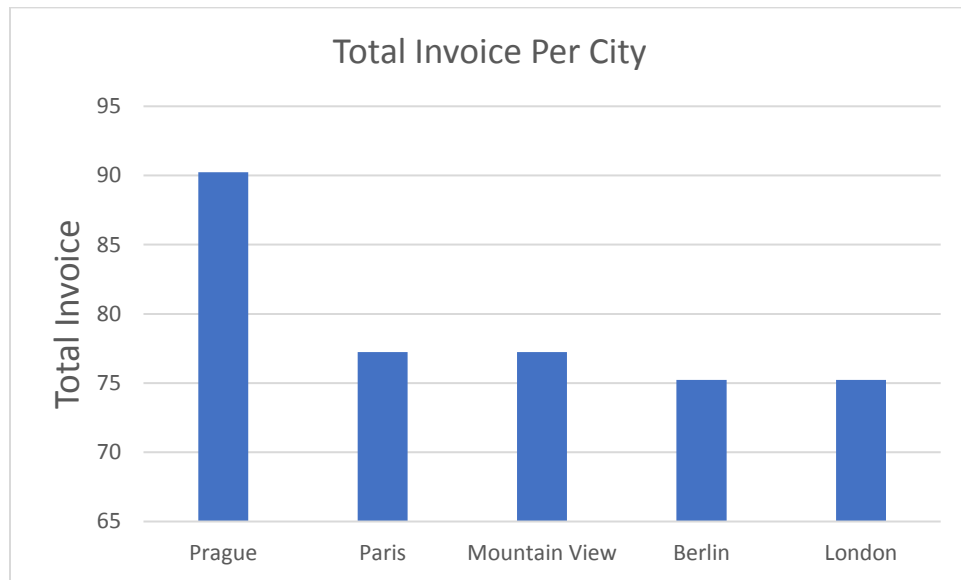

As we saw in the previous example USA was the most country has number of invoices, so if we go in deep to ask are American customers in the list of best 10 customers?

After seeking in data find" yes" we have 3 customers were from US in the list of best 10 customers and also graphs can answer the best 10 customers and their countries, Helena from Czech Republic was the best and can rank him as 1st and Victor from US was 10th.

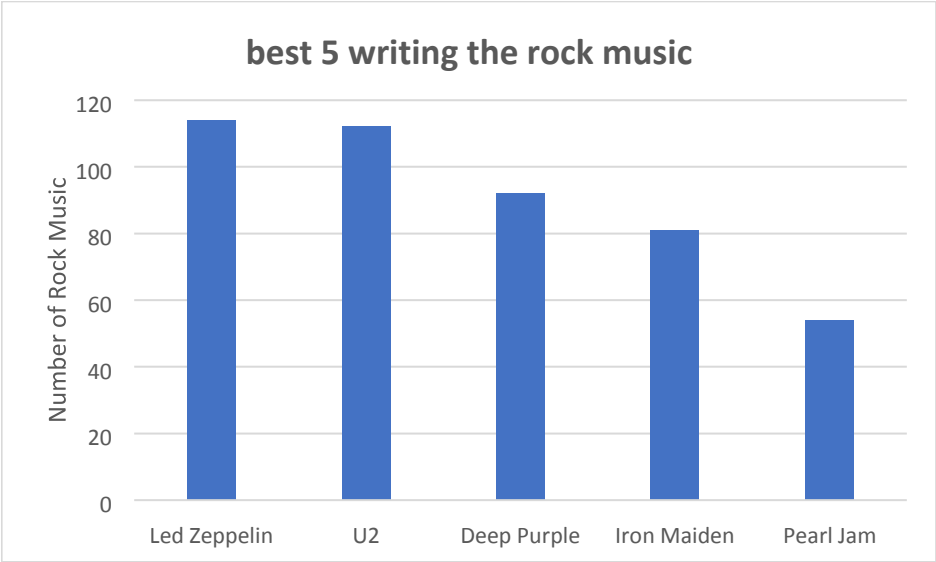

CustomerId	FirstName	Country	total_
6	Helena	Czech Republic	49.62
26	Richard	USA	47.62
57	Luis	Chile	46.62
45	Ladislav	Hungary	45.62
46	Hugh	Ireland	45.62
28	Julia	USA	43.62
24	Frank	USA	43.62
37	Fynn	Germany	43.62
7	Astrid	Austria	42.62
25	Victor	USA	42.62

Which city has the best customers?

To determine which city around the world has the maximum total of invoices help the company to increase customer relationship management in that city to decrease customer churn problem impact.

Who are the best 5 writing the rock music?

The company knew their customers love Rock music, so from this they want to know who are the best 5 writing the rock music.

Artist_Id	Artist_name	Count(*)
